

The Sault Ste. Marie Kennel Club Board of Directors and Instructors have agreed that due to COVID19 restrictions put in place that all classes and usage, including private use from March 16, 2020 - April 6, 2020 will be postponed. We will reassess the situation as needed and decide if further action is needed. This will include all Dogs-On-The-Go events as well.

I'd like to take this moment to personally thank all students, members and volunteer Instructors for their understanding. Stay safe!
